

Training Survey

The Chamber is completing a survey of the training needs of business.

The Chamber is very aware that the closure of Business Training Marlborough has left a significant gap in business training in our region. We want to establish where the most immediate needs are and make that training available.

1) What do you feel are your 3 top training needs?

.....

2) What do you feel are the 3 top training needs for your staff (by role)?

.....

3) Where do you feel the progress/profitability of your business is challenged?

.....

4) What type of marketing tools are you currently using? Do you know what is available?

.....

5) How steady are your sales? Do you understand sales jargon?

.....

6) What return business do you have? If none – why not?

.....

7) Are you operating to legislation – do you know what you need to know?

.....

8) What Health and Safety criteria does your business need to meet? Are you meeting them?

.....

9) What would be the ideal training programme – ie location, cost, duration, venue?

.....

10) What info/training can you assist with or provide?

.....
